- Enter WV7 3AT and obey - except for...
- When you are on the A41, off the M54, ignore any instruction to turn into Albrighton or onto County Lane. Stay ON the A-Roads!! Stay on the A41 until you take the A464 *at the traffic lights*.
- If you are using TomTom model, it is probable that it will direct you to a location 200 yards below Boningale Manor on the A464. There'll a sign saying "Upper Pepper Hill Farm". Do not go up that lane -you will regret it if you do! Stay on the main A464 road, and drive up hill to the top end of the nurseries (end of fencing) to a row of large trees. Our drive, complete with sign, is immediately on the left.
