Dining Room

Whilst we are consistently rated 4-Star, expect a relaxed family welcome. All rooms are centrally heated, have flat screen televisions and are covered by open WiFi (secure WiFi available on request). You will find a courtesy tray for tea, coffee & hot chocolate. Each room is provided with a hair dryer, and you can access good quality ironing equipment in our laundry. We will happily provide courtesy toiletries on request (but find that most guests tend to travel with & prefer their own).
